Bronze D of E Worfield Training Day 2026

Location: Worfield & Surrounding Area.

Date: Monday 16th March.

Times: Meet 8:30am
Return 4:30pm

Itinerary

Your day will consist of a circular walk in your expedition groups, during which you will be putting into practise all that you learnt on the previous days navigation session. You will also go through the practical use of our Emergency Procedures Flowchart to solve likely scenarios you may face on your expedition, as well as using the 'OS Locate' app to help you when you get lost! You will also be Pitching a tent and discussing camp craft needed for your expedition.

What You Need

- You will need to wear old clothing that can get wet and muddy with warm layers to suit the weather for the outdoor sessions and waterproofs if possible as per your Basic Training. (TTS waterproof tops will be available).
- You will need to wear walking boots or wellies if you haven't yet had chance to get walking boots.
- You will also need to bring a packed lunch and drink in a resealable container (soup or hot chocolate is a good idea if the weather is cold).
