Headteacher: Mr Simon Rogers

7 January 2022

Dear Parent/Carer

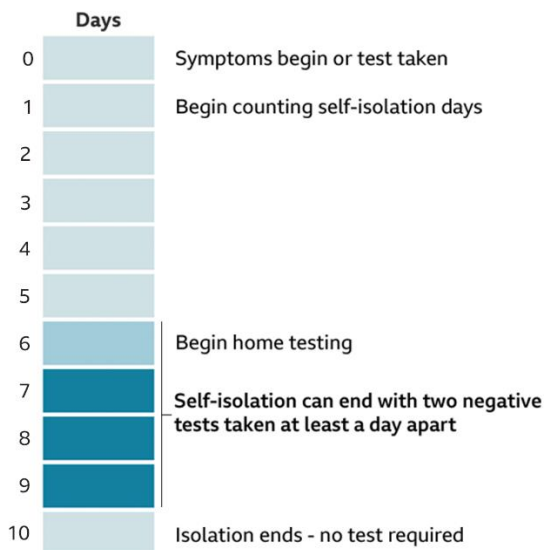

Student Covid Update

I write to thank you for your support this week in ensuring that yet again we had another high participation rate for the onsite lateral flow tests that students completed on Tuesday and Wednesday.

Students who attended were given their home test kits for this half term and home testing should continue with two tests per week 3 to 5 days apart. We recommend that tests are carried out on Sunday and Wednesday evenings. Additional test kits are available from Student Resources.

Please log the results of the tests with the NHS and **also please log with the Academy here:** <https://bit.ly/submit-lft-result>

As you may be aware, the guidance on isolation has recently changed and from Monday 11 January, PCR tests are no longer required following a positive lateral flow test. Students with a positive LFT should self-isolate in line with the 7 day isolation guidance below:

Please continue to notify the attendance officer of absences and positive lateral flow results by emailing attendance@walsallacademy.com or calling the Academy on 01922 493910.

Thank you for your continued support in ensuring a safe return to school for our students and staff.

Your sincerely

Mr S L Rogers
Headteacher
