

Walsall Academy

Rules of Admission Year 7 September 2017

Approved by the Governing Board

RULES OF ADMISSION TO YEAR 7 FOR SEPTEMBER 2017

Admissions to the Academy will be made in accordance with the statutory School Admissions Code and the School Admissions Appeals Code.

This Academy was established to provide education to students within the Bloxwich and wider Walsall community.

Places Available

Applications are welcomed from children of all abilities and with physical disabilities. Please inform the Academy of any specific disability which may result in a prospective student requiring individual help during the Admissions procedure.

The published pupil admission number (PAN) is 168 and with an additional 40 agreed provides a total of 208 for September 2017. These places will be filled by allocating places from the full range of ability of applicants, in accordance with the criteria embodied in the Funding Agreement between the Academy and the Secretary of State for Education

Admission: Banding

All children who apply for a place at the Academy will be invited to attend an assessment, namely the NFER (National Foundation of Education Research) Non-Verbal Reasoning Test. The assessment will last one hour and will be held at Walsall Academy. Children cannot "fail" the NFER assessment and therefore any request to re-sit the assessment will be refused.

Following the assessment, your child will be placed in one of five ability bands. The assessment results will be used to ensure that the Academy admits the full range of ability of applicants for the school. Parents will be advised of the results of the NFER test and the Academy will take all reasonable steps to advise parents of the outcome in accordance with the Statutory Code.

Admission of Students

Children with a Statement of Special Educational Needs or an Education Health and Care Plan will be admitted where the Academy is named as the appropriate placement. The admission of children in this category is dealt with by a separate procedure in collaboration with the Local Authority.

Admissions Oversubscription Criteria

If the Academy does not receive 208 applications every applicant will be offered a place. When the number of applications for admission is greater than the published number (168 pupils plus 40 additional places approved by Governors = 208 total), the Academy will be oversubscribed and all applications will be considered against the criteria set out below and places will be allocated in the following order:

Looked After Children and Previously Looked After Children

Children in Public Care (Looked after Children) will be given highest priority for admission within each band. Looked after Children are children who are in the care of a local authority or provided with accommodation by a local authority. This also includes previously looked after children who were looked after, but ceased to be so because they were adopted, became subject to a residence order or special guardianship order.

Banding of Applicants

If the Academy is oversubscribed, applicants will be placed in one of 5 ability bands based upon their score in the NFER Non-Verbal Reasoning Test.

The total number of applicants will be divided by 5 placing 20% of the applicants in each band.

Band	1	2	3	4	5	Total
Percentage of children allocated to each band	20%	20%	20%	20%	20%	100%
Number of places allocated	42	41	42	41	42	208
Class sizes do not exceed 26 in Year 7						

Where there are insufficient children in a particular band, the next nearest child will be selected from the band below, then the band above.

[NB: Although there will initially be the same number of children in each band, there may be unequal numbers in bands if applications are withdrawn.]

Distance from the Academy

Proximity to the Academy will be used combined with banding to decide who will be offered places when we are oversubscribed. From within each of the bands the applicants that live closest to the Academy (not their ranking within the band) will be given priority for admission. Distance is calculated in a straight

line from the centre point of the home address to the centre point of the Academy. Home address is classified as the permanent residence where the applicant is living at the time of the offer and there must be evidence it is not temporary or for the purposes of gaining advantage to seek admission. The Academy may ask for proof in such cases where it may be suspected that unfair advantage is being sought by applicants on the issue of residence. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, the main residence will be determined as the address where the child spends the majority of the week. Documentary evidence may be required in such cases.

Tie Breaker

Where two applications cannot otherwise be separated, the place will be offered on the basis of random allocation.

Eligibility and Disability

Eligible applicants are those children who were born between 1 September 2005 and 31 August 2006.

Walsall Academy is committed to a fair and equal treatment of all individuals. The Academy welcomes applications from children with disabilities.

Please refer to our Frequently Asked Questions (FAQ's) [here](#) where you may be able to find answers to common issues raised.

Procedures for Admission

To apply, parents/carers or guardians of prospective students are required to complete a Registration Form for their eligible child. This form must be returned directly to Walsall Academy before **6 October 2016** to ensure all testing is completed by the National Applications deadline of 31 October 2016 and so that the Academy can make parents aware of the results in accordance with the statutory School Admissions Code.

This Registration Form has two purposes:

1. For all parents to notify the Academy that they are applying for a place and that they wish for their child to sit the banding assessment.
2. For parents who would like their child to be considered for any concessions in the assessment, to make the Academy aware of this. The Academy will make decisions as to the appropriate adjustments (e.g. wheelchair access, scribes, larger print etc.) required under equalities legislation.

As part of the National Co-ordinated Admissions Arrangements across all Admissions Authorities parents/guardians are also required to complete a Preference Form provided by their Local Authority. This form must be completed and returned to the Local Authority before **31 October 2016**.

Please note: Parents/guardians should fill in both the Walsall Academy Form and the Local Authority Preference Form for the application to be considered within the nationally agreed time-scale.

Parents/guardians should read the Walsall Children's Services – Education Walsall publication "Information for Parents/Guardians about admission to Secondary School for September 2017" which will be provided with the Local Authority Application Form. This is available on the Walsall Council website at www.walsall.gov.uk/education.

The Academy will liaise with Walsall Children's Services and other neighbouring Local Authorities in keeping with the National Co-ordinated Admissions Procedure during the process of selection. Parents/guardians need to be aware that preferences relating to the ranking and the naming of Walsall Academy on the Local Authorities Preference Forms are taken into consideration by the Local Authorities.

A date will be set for the prospective student to attend for assessment. In most cases, applicants who do not attend the assessment will not be further considered for a place at the Academy.

The application will only be valid if all the information required is supplied and all the forms are returned by the specified date.

208 applicants will be offered a place for admission in September 2017 and unsuccessful applicants will be placed on the Waiting List.

Those who are offered a place at the Academy will be informed by a letter posted on **1 March 2017** and will be asked to complete and return an acceptance form by **16 March 2017**. Offers of admission to those on the Waiting List will be made if a suitable place becomes available.

Those not offered admission or a place on the Waiting List will be informed by a letter posted on **1 March 2017** and will have been offered a place at an alternative school by the Local Authority.

Waiting List for Admission to Year 7

If the Academy is oversubscribed, unsuccessful applicants will be placed on the Waiting List. If vacancies arise, those on the Waiting List will be offered a place using the Academy's Admissions Criteria outlined previously.

The Waiting List will be maintained until 31 December 2017.

The school will then write to parents remaining on the Year 7 Waiting List to determine if they wish to remain on the list if a place becomes available. In January 2018, the Waiting List is then reconstituted following parental responses. The reconstituted list will then be maintained and places will be offered as they come available in accordance with the Academy's Admission Criteria.

The Appeals Procedure

Parents/guardians who do not obtain a place for their child may appeal against the decision. There will be an Independent Appeals Panel appointed in accordance with the provisions of the statutory School Admission Appeals Code.

Appeals should be presented in writing to the Clerk of the Independent Appeals Panel c/o Walsall Academy no later than **30 March 2017**.

Mid-Year Admission Policy

Any parent can apply for a place for their child at any time outside the normal admission round.

Walsall Academy will show due regard for mid-year admission schemes formulated by the relevant local authorities.

Walsall Academy will communicate with the relevant local authorities to ensure that they are advised of any pupil mobility in the interests of safeguarding.

Any vacancies will be offered on the basis of the admission criteria for the Academy. Assessment sessions for Mid-Year Admissions will be held as required.

Parents have the right to appeal against the refusal of a place.

Late Applications

The policy on late applications for Walsall Academy is in line with Walsall Children's Services arrangements.

Preference Forms and, where appropriate, schools' own Registration Forms, received after the closing date, are classed as late applications. Any request to change the name or ranking of a school made after the closing date will be classed as a late application.

Late applications will normally be considered for places after all the applications that were received by the closing date. Therefore, late applicants may be less likely to be offered a place at one of their preferred schools.

If a Walsall Preference Form is received after the closing date the application will be passed to the appropriate admission authority for consideration under its Late Application Policy. Each admission authority is required to publish its own Late Application Policy which explains how late applications will be dealt with. The Late Application Policy for all Walsall community and voluntary controlled schools is shown below.

Late Applications received up to 4 weeks after the closing date

Late applications received up to four weeks after the closing date may be considered as being on time but only where there are exceptional circumstances.

- Where the family were unable to complete the Walsall Preference Form by the Closing Date because they moved into the Borough of Walsall after the issue of the Walsall Preference Form.
- The family were unable to comply with the admission timetable because of exceptional circumstances which prevented the Walsall Preference Form arriving on time.
- When a single parent has been ill for some time. Evidence from an appropriate professional may be required to support this criterion.

In these cases the circumstances must be given in writing at the time of application and attached to the Walsall Preference Form: they will be subject to verification by the Managing Director, Walsall Children's Services.

This applies to applications for secondary schools received between 1 November 2016 and 28 November 2016.

Late Applications received more than 4 weeks after closing date

Applications for schools received more than 4 weeks after the closing date but before the Notification Date will be considered only after all other applications. Unless there are exceptional social, medical or domestic circumstances. Evidence from a professional will be required and any cases will be decided at

a meeting convened by Governors to determine if any such application should be considered with those that were on time.

This applies to applications for secondary schools received between 29 November 2016 and 28 February 2017.

Applications received after the Notification Date (once places have been offered)

Applications received after the notification date: a place will be offered at the highest ranked school if places are available. For Walsall residents, if a place is not available at any of the ranked schools a place will be offered by Walsall Children's Services in accordance with their published policy and the child's name will be added to the Waiting List for schools listed as preferences in admission criteria order.
