

Session 3 Guidelines STUDENTS AND PARENTS/CARERS

Routines and Expectations

Session 3 is a formal commitment for students lasting from 3.30pm until 5.00pm. Students must stay with the subject teacher at all times.

Normal school rules apply during session 3.

Students are not required to sign up in advance unless stated otherwise. Students will be collected by staff from the Restaurant and taken to the venue where they will be registered.

At the end of session 2 students staying for any non-sport session 3 need to go directly to the School Restaurant and can have a short break whilst other students leave the site. Students attending a Sport session 3 should head straight down to the Sports block to register and change.

Should any particular session 3 be cancelled for any reason staff will always attempt to notify parents in advance or if this is not possible an alternative opportunity will be offered to students on that night.

By 3.30pm session 3 students will have been escorted to their venue where they will be registered.

No student should be in school at this time of day without being registered.

The formal finish time is no earlier than 5.00pm, with the exception of some sporting activities as publicised. Students need to leave the site promptly at the end of the session at 5pm.

In exceptional cases parents may wish to collect students earlier than 5.00pm and parents should notify teachers in advance and permission to leave the site without delay at an agreed time will be granted.
