Issue / Return of Equipment

As already issued for practice. Return ????

Times and Travel

Neither Walsall Academy nor EDGE-ucation are responsible for your travel to the start; the trains are a suggestion. Alternative arrangements for travel can be made if preferred.

The suggested method of travel is as an expedition group by train to North Wales and back. You will be met at the train station that your route starts from. On return the train you catch will depend on what time you finish - see below. Exact times need to be verified by YOU, nearer the date (new timetable out in May www.nationalrail.co.uk.) Train fare is approx £24 return (booking as a group). It would be a good idea to book in advance as tickets are cheaper. Open return tickets are advised as exact finish times cannot be guaranteed.

Check your group's route to confirm travel arrangements and times below.

Train Details-

The Plan

This is your final expedition and you will have an assessor who will make contact with you and monitor you throughout your expedition. In addition to your expedition aim you must complete the planned journey as smoothly as possible, dealing with problems as they arise (they will!!!!). Remember that your equipment, food and camping skills also form part of the assessment.

You will have checkpoints during the expedition using a combination of cards, meeting points and distant observation.

Allow a total of approx £14 for camp site fees which you pay each evening, plus extra for other eventualities.
